D.O. No.36-35/2018-NVSQF
13.2.2019

Dear Secretary,

This is regarding the Scheme for Higher Education Youth in Apprenticeship and Skills (SHREYAS) which proposes to link Higher Education Institutions with National Apprenticeship Promotion Scheme (NAPS) to provide for a paid apprenticeship to students passing out of non-technical Higher Educational Institutions.

The SHREYAS portal for linking non-technical higher educational institutions with apprenticeship providers under the National Apprenticeship Promotion Scheme (NAPS) will be launched by Hon'ble Minister for Human Resources Development and Hon'ble Minister for Skill Development on **27th February, 2019**.

The details of the SHREYAS programme have been discussed with all the Higher Education Secretaries through Video Conference on 12.2.2019. In accordance with the details discussed in the Video Conference, the following are clarified:-

- i) The SHREYAS portal will operate at www.shreyas.ac.in and will be operational from **27th February, 2019** for a period of 30 days. The State Government may convey this to all their non-technical higher educational institutions so that they may register on the portal within the given time.
- ii) For registering the Skill Development Councils and Industry Associations as providers of apprenticeships the following URL can be visited <https://apprenticeshipindia.org/establishment-registration>.
- iii) Even establishments who are engaged in service sector such as Tourism, Horticulture can provide apprenticeships.
- iv) Whereas the call for registering the demand is open to all the non-technical higher educational institutions in the country, State Governments may focus on the some industrial clusters so as to achieve the better results to start with.
- v) The State Governments may write to District Collectors and hold meeting with Chambers of Commerce and Skill Councils to register themselves as third party providing for identifying more apprenticeship opportunities. Guidelines for the third party apprenticeship agencies are given in the <https://apprenticeshipindia.org/>.

Grateful if the State Government takes expeditious action for successful launch of this important initiative.

With regards,

Yours sincerely,

(R. Subrahmanyam)
