The High Power Committee in its meeting on 16.07.2016 perused the detailed agenda notes, discussed elaborately on the proposals received from the Prescribed Authorities. After threadbare discussion the following decisions were taken.

1. Opening Permission for New College/New Stream (Junior)

The committee was informed that in a meeting headed by Hon'ble Minister, Finance on 26.11.2013 a decision was taken to restrict opening of new colleges after 30.11.2013 and that for new colleges after 30.11.2013, there shall be no grant-in-aid facility. After discussion, HPC decided accordingly that no aid shall be given by the Government for the Colleges for opening of new streams/colleges in future. Details of Junior Colleges recommended in Self-Financing mode for opening of New College/New Stream are at **Annexure-A**.

2. Permission for Increase of Seats (Junior)

The Committee also agreed not to incur the financial burden in respect of Colleges (aided/non-aided) where increase of seats is allowed or new section is opened. In no case, the Government will bear any financial burden towards Grant-in-Aid/Block Grant/Salary of extra teaching and non-teaching staff. The decision of HPC is at **Annexure-B**.

3. Opening Permission for New Subject/Subjects (Junior)

It has been unanimously decided by the committee to give permission to open new subjects in self-financing mode only. The decisions taken in the meeting are at **Annexure-C**.

existing and new Colleges. The decisions taken in the meeting are at **Annexure-E**.

6. Permission for Increase of Seats (Degree)

The Committee also agreed not to incur the financial burden in respect of Colleges (aided/non-aided) where increase of seats is allowed or new section is opened. In no case, the Government will bear any financial burden towards Grant-in-Aid/Block Grant/Salary of extra teaching and non-teaching staff. The decisions taken in the meeting are at **Annexure-F**.

7. Opening Permission for New Subject/New Honours Subjects (Degree)

It has been unanimously decided by the committee to give permission to open new subjects in self-financing mode only. The decisions taken in the meeting are at **Annexure-G**.

A handwritten signature in blue ink, appearing to be 'S/18/17'.

12. Sanskrit Colleges

The decisions taken in the meeting in respect of Sanskrit Colleges are at **Annexure-L**.

13. Waiver of Pledged Money

The decisions taken in the meeting regarding waiver of pledged money are at **Annexure-N**.

14. Ratification of Rectification issued in the Proceedings in the HPC meeting held on 31.05.2016.

The corrigendum issued was ratified in the meeting and is at **Annexure-N**.

15. Any Other Item -

1. Any application received from the EAs after 10th December by the PAs for opening permission/increase of seats/recognition will strictly not be entertained by the PAs.
2. HPC Automation : A presentation was made by OCAC, which has developed an application software for automating the activities of the HPC under project SAMS. The features of the software were discussed in detail which is as follows.
 - It will be an end-to-end automation system.
 - New college/stream opening, increase/decrease of strength, etc. Application will be done online.
 - Fees payment, pledge money, etc will be done by online (Bank/Treasury).
 - Prescribed Authorities will submit their inspection report online.
 - College admission database will be integrated in the HPC system.
 - HPC will take decision by comparing different reports/MIS in the computer screen.

After detailed deliberation it was decided to implement the automated software of HPC from 2017-18 onwards.

 18/7

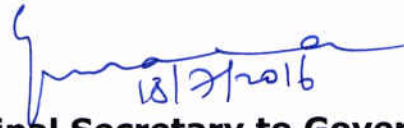

3. The PA is to inspect, report and submit fresh report on increase of seats in +3 Science, from 344 to 384 in +3 Arts and from 192 to 256 in +3 Commerce in Nimapara (Auto) College, Nimapara, Puri
4. HPC discussed its earlier decision taken in the meeting held on 27.04.2016 not to permit annual increase of seats as the same will result in migration of the students from the new colleges and the seats will remain vacant in the nearby new colleges. The members deliberated the merits and demerits of the decision. It was noted from the SAMS database that during 2015-16 admissions, as many as 42 colleges in Commerce, 68 colleges in Science and 01 college in Arts stream reported admissions of less than 10% of the approved strength. Similarly, as many as 42 in colleges in Commerce and 74 colleges in Science streams reported above 10%, but less than 20% of the approved strength. Such situation in respect of interior colleges has arisen because of the Government decision to increase all the student strength across-the-board by 20%, as it led to migration of students from the interior colleges to slightly more urban colleges. Secondly, the fact that HPC did not favour such across-the-board increase of seats in 2016-17 was known to all concerned, as the minutes of HPC dated 27.04.2016 were uploaded on the website of the Department. However, in view of the continued demand from the colleges in well-off locations, HPC decided that Government may take appropriate decision for 2016-17.
5. The colleges which are allowed by the HPC but not submitted the requisite fees with the PAs are now directed to submit the requisite fees in shape of challan before issue of opening permission.
6. It was decided to form a Sub-Committee of the HPC who will study the models of self-financing/unaided colleges available in the States like Andhra Pradesh, Telengana, Karnatak, Tamil Nadu, Rajasthan which will submit its report within one month.
