**Sub: Training on preparation of Institutional Development Plan(IDP) for World Bank assisted Project i.e. OHEPEE.**

Sir,

You are aware that World Bank sponsored programme i.e. Odisha Higher Education Programme for Excellence and Equity (OHEPEE) is to be operationalised soon. The 1<sup>st</sup> round of 2 days training was conducted in batches from 06<sup>th</sup> to 21<sup>st</sup> Jan'2017 at XIMB. The 2<sup>nd</sup> round of consultation had started on 23<sup>rd</sup> Feb'2017 and is to be completed by 03<sup>rd</sup> Mar'2017.

After detailed discussion with the IDP Committee of Utkal University and participating Colleges, a revised and final IDP template is attached herewith. It integrates earlier chapters 6 and 8 into chapter 4 and simplifies chapter 5. The operational manual for IDG grant which is uploaded in the website i.e. [www.dheodisha.gov.in](http://www.dheodisha.gov.in) explains the criteria for evaluation of IDP as follows:-

1. 40% weightage for clear objective setting towards quality improvement, equitable access and better Governance. This will be evaluated from mainly Section 4.2,4.3, 4.5, 4.6, 4.9, 4.12, 4.15 and 4.16 among others. To enhance quality, adequate emphasis be given in the IDP for improving faculty and student attendance, better teaching methodologies, improving faculty competency and increasing pass percentage of students. Quality enhancement should also focus on soft components like student motivation, role model system and other conducive parameters for academic excellence. Equitable access (4.6) will be a very important component to judge the IDP. It will carry considerable weightage in those Colleges where Women, SC, ST and/or differently abled students ratio is less. Focus should be on how within the present system, more support and confidence is given to these lesser represented groups. The objectives and activities should be wholesome, covering all steps like enrolment, effective learning, priority in hostel allotment, financial and non-financial support, assigning mentor, language and personality development etc.

2. 20% weightage will be given on how precisely gaps have been identified in the present system and how realistic and feasible the implementation plan takes care of these gaps.
3. 15% weightage will be given for monitoring and evaluation efficiency. Hence, the monitoring & evaluation plan and nodal persons of chapter no. 4 have to be properly thought about & filled in the respective columns. Sections 4.14, 4.7, 4.8 and 4.9 will carry appropriate weightage.
4. 15% weightage will be given to sustainability of the Project in terms of cost and outcomes. The monitoring & evaluation plan of chapter 04 will indicate the efficacy of outcome sustainability. For cost sustainability wherever applicable, detailed para have to be added in the sustainability plan of chapter 04.
5. 10% weightage will be given for stake holder consultation and Strength, Weakness, Opportunity & Challenges (SWOC) analysis. Hence, this be documented properly and be annexed to the IDP.

The 1<sup>st</sup> draft of the IDP in the attached format is to reach IDP Committee of Utkal University by 1.00PM of 07<sup>th</sup> Mar' 2017 in soft copies in the e-mail ID [santoshtripathy.skt@gmail.com](mailto:santoshtripathy.skt@gmail.com) . A meeting of all Principals and IDP Coordinator of 126 Colleges and IDP Coordinators of Universities will be held on 08<sup>th</sup> Mar' 2017 at 10.30AM in the Auditorium Hall of Utkal University. No substitution of Principals and IDP Coordinators will be allowed without prior permission of the undersigned.
