The proceedings of the meeting of the Departmental Screening Committee held on 23.05.97 for placement of lecturers in senior scale and grade of Reader in terms of the provision of the O.B.S. (CB) Recruitment Rules 1990 may

be seen at sl. 231/C of the linked file bearing No. IIT/CA-30/06.

It has been decided in para-5 sl. 229/C in the said proceedings of the linked file that ORV Act and Rules will not be attracted in these cases as much as placement of lecturers in Senior Scale/Reader does not involve promotion

NOTE SHEET

as it is in the nature of Career Advancement.

When the said Rule is in force the benefit of Career Advancement Scheme was given from the due date i.e. completion of <sup>a</sup>08 years of service as lecturers for becoming <sup>b</sup>Lecturer in Senior Scale and 08 years of service as lecturer (SS) for becoming <sup>a</sup>Reader.

The provisions of ORV Act and vacancy position were not taken into account for Career Advancement Scheme to the teaching staff.

If we go by Resolution a lecturer will become a Reader/Lecturer (SG) on completion of 11 years of service as lecturer.

A lecturer becomes a Reader on completion of 16 years of service as a lecturer as per 1990 rule whereas a lecturer becomes a Reader on completion of 11 years as per the Resolution 1999.

This will create an anomalous situation if we adopt Rules and Resolution at the same time. A senior teacher will be affected which may lead to legal complications..

In view of the above positions Career Advancement Scheme may be extended to the teachers from the due date i.e. completion of the period or years of service as specified in the Orissa Education Service (College Branch) Recruitment Rules 1990 as amended from time to time. The period of service for placement in the higher grade as specified in the Resolution dated 31.12.99 may not be taken into consideration.

Rest as proposed.
