Additional Conditions for Opening of New College/New Stream and Grant of Recognition

The committee reviewed stipulations as above made in the HPC dt.28.03.2007 which are meant for institutions that have already received temporary recognition. However HPC in the meeting dt.05.07.2012 took the following decisions for new proposals i.e cases for which opening permission have not been accorded so far.

- (1) That no new (prospective) proposal should be entertained by RDES/DHE unless there is the list of faculty members with their qualifications duly attested; their proof of identity in shape of photograph/PAN card/ e-mail ID/Cell No./ contact address in detail.
- (2) It was unanimously resolved that land (2 acres in Urban area/5 acres in Rural area) in a compact patch and proper faculty in position will be two essential criteria for entertaining any proposal in HPC. Besides, the existence of other colleges in the vicinity is another guiding factor.
- (3) While giving the proposal the RDE and DHE should meet the promoters of the educational agency (Trustees, Chairman/Secretary of the Society/ Individual Promoter etc. as the case may be) and attach a proceeding of the meeting to the proposal being forwarded by them.
- (4) Besides, the EA has to produce the proof of availability of adequate no. of classroom, laboratory, toilet facilities, drinking water facility and library. Moreover the photo of the building standing over the recorded land of the institution duly countersigned by concerned Tahasildar must be part of the proposal.

The Higher Education Department while submitting the proposals before HPC for opening of new stream/new college/enhancement of seats etc. will thoroughly check the proposal with regard to the conditions mentioned above.
