13. General Observations (GOs):

One general observation (at Sl. No. XXI) was made by the committee in addition to the twenty general observations already made earlier (Sl. i to Sl. xx). They are as under:

i) Proposals for increase of seats or opening of new stream/course can only be considered after appearance of at least one batch of students in existing stream/course.

ii) Any new teacher/non-teaching staff required for managing/teaching the students on account of increase of seats be funded out of self financing route. The honorarium/remuneration of these teachers should be at par with other teachers in the college. The college management should give an undertaking and affidavit before taking new students. The H.P.C. observed that this should be followed

strictly in view of the restrictions of the Finance Department on account of new appointments.

iii) The qualification of I.T. lecturers and Computer Science lecturers shall be MCA and B.E. in I.T. or B.E. in Computer Science or MSc (Comp. Science).

iv) Regarding grant of Temporary Recognition (TR) for back periods, HPC had earlier decided to keep the period as such, but as this is creating problem for the institutions on continuity of Recognition, the HPC felt it necessary to reverse the earlier decision and allow TR for back periods.

v) The college/institution has to produce a certificate from Tahasildar regarding location of land and building owned by the college authority for Permanent recognition.

vi) Permanent recognition would be given in 2-3 years i.e. after passing of one batch of students, if the college fulfills the necessary conditions as provided in the Orissa Education Act, 1969.

vii) Any permission for opening of new colleges, increase of seats, opening of new stream, opening of new subject and opening of Hons. subjects will be considered by May every year. Similarly for grant of recognition (temporary/permanent), the colleges/institutions have to apply by the end of August every year which is to be considered in the month of September/October. Thus there would be two phase of HPC in a year, one for Opening Permission and the second for grant of Recognition.

viii) Three subjects are to be allowed for +3 colleges having 64 seats instead of 4 subjects.

ix) For opening of new subjects/new streams due to restriction by Finance Department, no new faculty can be recruited by the management. They can run it under self-financing mode like I.T. or Computer Science only. If any college is willing to abide by this condition, it can open a new subject/new stream.

x) Sanskrit as an 'Elective' subject in +2 Science seems to have been included in 2007 vide notification No. 14019/HE dt. 01.03.2007. As the matter is under reconsideration of Government, all matters relating to any college opting for 'Sanskrit' as an Elective subject under +2 Science stream is to be deferred till a decision in the matter is taken by the Government.

xi) Separation of laboratory between Junior and Degree College is necessary. Similarly improvement of Science laboratory for opening of Honours subject is essential and has to be certified before grant of FTR for any new Honours subject.

xii) At present, there are 35 Self-Financing +2 Science Junior Colleges functioning in the Municipal limits of Bhubaneswar. It was reported that there are applications

for starting 25 more +2 (Junior) Residential Science Colleges in and around Bhubaneswar. As there are a large no. of vacant seats in existing Residential Colleges and as starting of 25 new Colleges would require a large number of trained teachers/Lecturers, the committee felt that giving opening permission to such large number of Junior Science Colleges would not be in the interest of education. Secondly, there seems to be no felt need to start so many new Junior Colleges in the Capital City when feeder High Schools are limited.

xiii) The HPC observes that in the interest of students and their future, the colleges should have separate land recorded in their name as per provisions of O.E. Act, 1969. Some colleges are taking the plea that the Educational Agency (EA) has got the land but it is seen that the same EA is operating more than one educational institution over the same plot of land. So for the interest of the students one year time is allowed (till 30.06.2010) to all EAs to record separate land in the name of the college/institution failing which no further recognition shall be allowed to the EA. The concerned EA should file an affidavit before the PA to that effect after which conditional recognition shall be accorded in favour of these colleges/institutions.

xiv) It is decided to accord permission to professional colleges either with minimum permission of 60 seats if one course is permitted to open or with minimum of 30 seats each if two courses are permitted to open to make the colleges viable.

xv) Permission for opening of Honours subject would be given to a college, which has M.Phil/Ph.D. qualified teachers having completed minimum 02 years of service in that college.

xvi) For grant of permanent recognition in increase of seats, opening of new Honours subjects, enrolment of at least 3 years for +2 & 4 years for +3, pass out of at least two batches; creation of additional infrastructure and appointment of required faculty will be the criteria for consideration. P.As may recommend individual cases accordingly.

xvii) Those who do not apply for First Temporary Recognition/Renewal of Temporary Recognition, the EA be asked to show cause as to why the permission to run the College/Stream/new subject/Honours/extension of seat etc, as the case may be, shall not be withdrawn. For this, the P.A. should maintain a Register as per College Code so as to cover all Colleges.

xviii) Regarding special permission for appearing at the examinations of Council and University, the concerned EA/Colleges are to approach both PA and the concerned University or Council of Higher Secondary Education as the case may be at least one month prior to commencement of examination for getting clearance/recommendation. The recommendation of PA and University/CHSE

must reach the Government at least 15 days before the scheduled date of examination for considering special permission. This decision is to be widely circulated in media for information of all concerned.

(xix) The EA which has been permitted to open one institution should first stabilize it by getting Permanent Recognition before applying for another institution for example if one EA is running +2 Science College should stabilize it before going for a Professional College and vice versa.

(xx) For Residential and Professional Colleges, college & hostel should be within one kilometer distance for grant of recognition.

(xxi) The colleges defaulting in Departmental Report & Return like AER, shall not be issued with approval of their proposals like recognition, increase of seats, etc.

TEMPORARY/PERMANENT RECOGNITION FOR SANSKRIT COLLEGE (Annexure-'I')

Sl. No.	College Code	Name of College	Location	HPC's Remarks
1		Baba Dhabaleswar Morning Sanskrit College	Phulnakhara, Cutack	<p>Proposal for grant of permanent recognition to Upasastri and Shastri with 64 seats each was heard in the Hon'ble Minister's Court on 17.07.2009. On hearing of the case the matter was remanded to the HPC for consideration. After detail deliberation the Committee allowed PR to Upasastri and Sastri with 64 seats each from the session 2009-10 in its meeting dated 07.09.2009. The EA has now appealed for grant of PR to both Upasastri & Sastri with 64 seats each with retrospective effect from 2005-06 instead of 2009-10. The opening permission for Upasastri & Sastri were given to the EA in the year 1998 and 2000 respectively. The report of the PA appears not to be convincing. The O.E. Act, 1969 does not provide for retrospective recognition. There is nothing on record to show that the college fulfilled the conditions for permanent recognition in 2005-06. As such, the HPC upholds its earlier decision in its meeting dated 07.09.2009.</p>

4	2010310	Dr. B. R. Ambedkar National College	Koraput	This case has been remanded by the Hon'ble Minister's Court following appeal of the EA vide Appeal Case No.MHE(+2)-1/2010 to reconsider the case by the HPC. The college was accorded opening permission for +2 Arts with 64 seats from the session 1993-94. The first temporary recognition for the same was granted for the session 1999-2k. The college has not admitted students during the session 2003-04, 2004-05 & 2005-06. So in modification the first temporary recognition was given for the session 2007-08 i.e. the year from which they have admitted students after lapse of three years. So permanent recognition cannot be given from the session 2008-09 which is not in consonance with Section 6-B(1)(j) as per the O.E. Act, 1969. Hence the HPC upheld its decision.
