M(6)

ii) Any new teacher/non-teaching staff required for managing/teaching the students on account of increase of seats be funded out of self financing route. The stream/course.

i) Proposals for increase of seats or opening of new stream/course can only be considered after appearance of at least one batch of students in existing

the seventeen general observations already made earlier (Sl. i to Sl. xvii).
 Three general observation (at Sl. xx & xix) were made by the committee in addition to
General Observations (Gos):

5. **Miscellaneous Matters:**
 All together 02 proposals on different matters including one remand case from the Minister's Court were placed before the HPC for consideration. After detailed discussion, the HPC allowed all the cases. The list of cases which are allowed is placed at **Annexure-B**. Rest of the proposals were deferred to next HPC due to shortage of time.

4. **Permission for Increase of Seats:**
 Altogether 03 proposals for increase of seats in +2 & +3 colleges were received from Regional Directors of Education for consideration. After detailed discussion, the Committee allowed 02 cases and rejected 01 case. The list of cases allowed/rejected is placed at **Annexure-D**.

3. **Grant of Permission & PR to New Sanskrit Colleges:**
 All together 02 cases in respect of Sanskrit Colleges were discussed by the Committee. After detailed discussion, the only proposal for opening permission was rejected while the only PR proposal received was allowed. The list of cases which are rejected/allowed is placed at **Annexure-C**.

3. **Professional Colleges:**
 Altogether 20 proposals were received from Director, Higher Education in respect of Private Professional Colleges. After detailed discussion the Committee decided to allow 10 cases, rejected 08 cases and rest 02 cases were deferred. The list of cases allowed/rejected/deferred is placed at **Annexure-B**.

2. **Opening of New College:**
 Altogether 49 proposals for opening of new +2 and +3 colleges were received from Regional Directors of Education for consideration. After discussion the committee allowed 19 cases, rejected 17 cases and deferred 13 cases indicating reasons against each college. The list of cases allowed/rejected/deferred is placed at **Annexure-A**.

honorarium/remuneration of these teachers should be at par with other teachers in the college. The college management should give an undertaking and affidavit before taking new students. The H.P.C. observed that this should be followed strictly in view of the restrictions of the Finance Department on account of new appointments.

!!!) The qualification of I.T. lecturers and Computer Science lecturers shall be MCA and B.E. in I.T. or B.E. in Computer Science or MSc (Comp. Science).

iv) Regarding grant of Temporary Recognition (TR) for back periods, HPC had earlier decided to keep the period as such, but as this is creating problem for the institutions on continuity of Recognition, the HPC felt it necessary to reverse the earlier decision and allow TR for back periods.

v) The college/institution has to produce a certificate from Tahasildar regarding location of land and building owned by the college authority for Permanent recognition.

vi) Permanent recognition would be given in 2-3 years i.e. after passing of one batch of students, if the college fulfills the necessary conditions as provided in the Orissa Education Act, 1969.

vii) Any permission for opening of new colleges, increase of seats, opening of new stream, opening of new subject and opening of Hons. subjects will be considered by May every year. Similarly for grant of recognition (temporary/permanent), the colleges/institutions have to apply by the end of August every year which is to be considered in the month of September/October. Thus there would be two phase of HPC in a year, one for Opening Permission and the second for grant of Recognition.

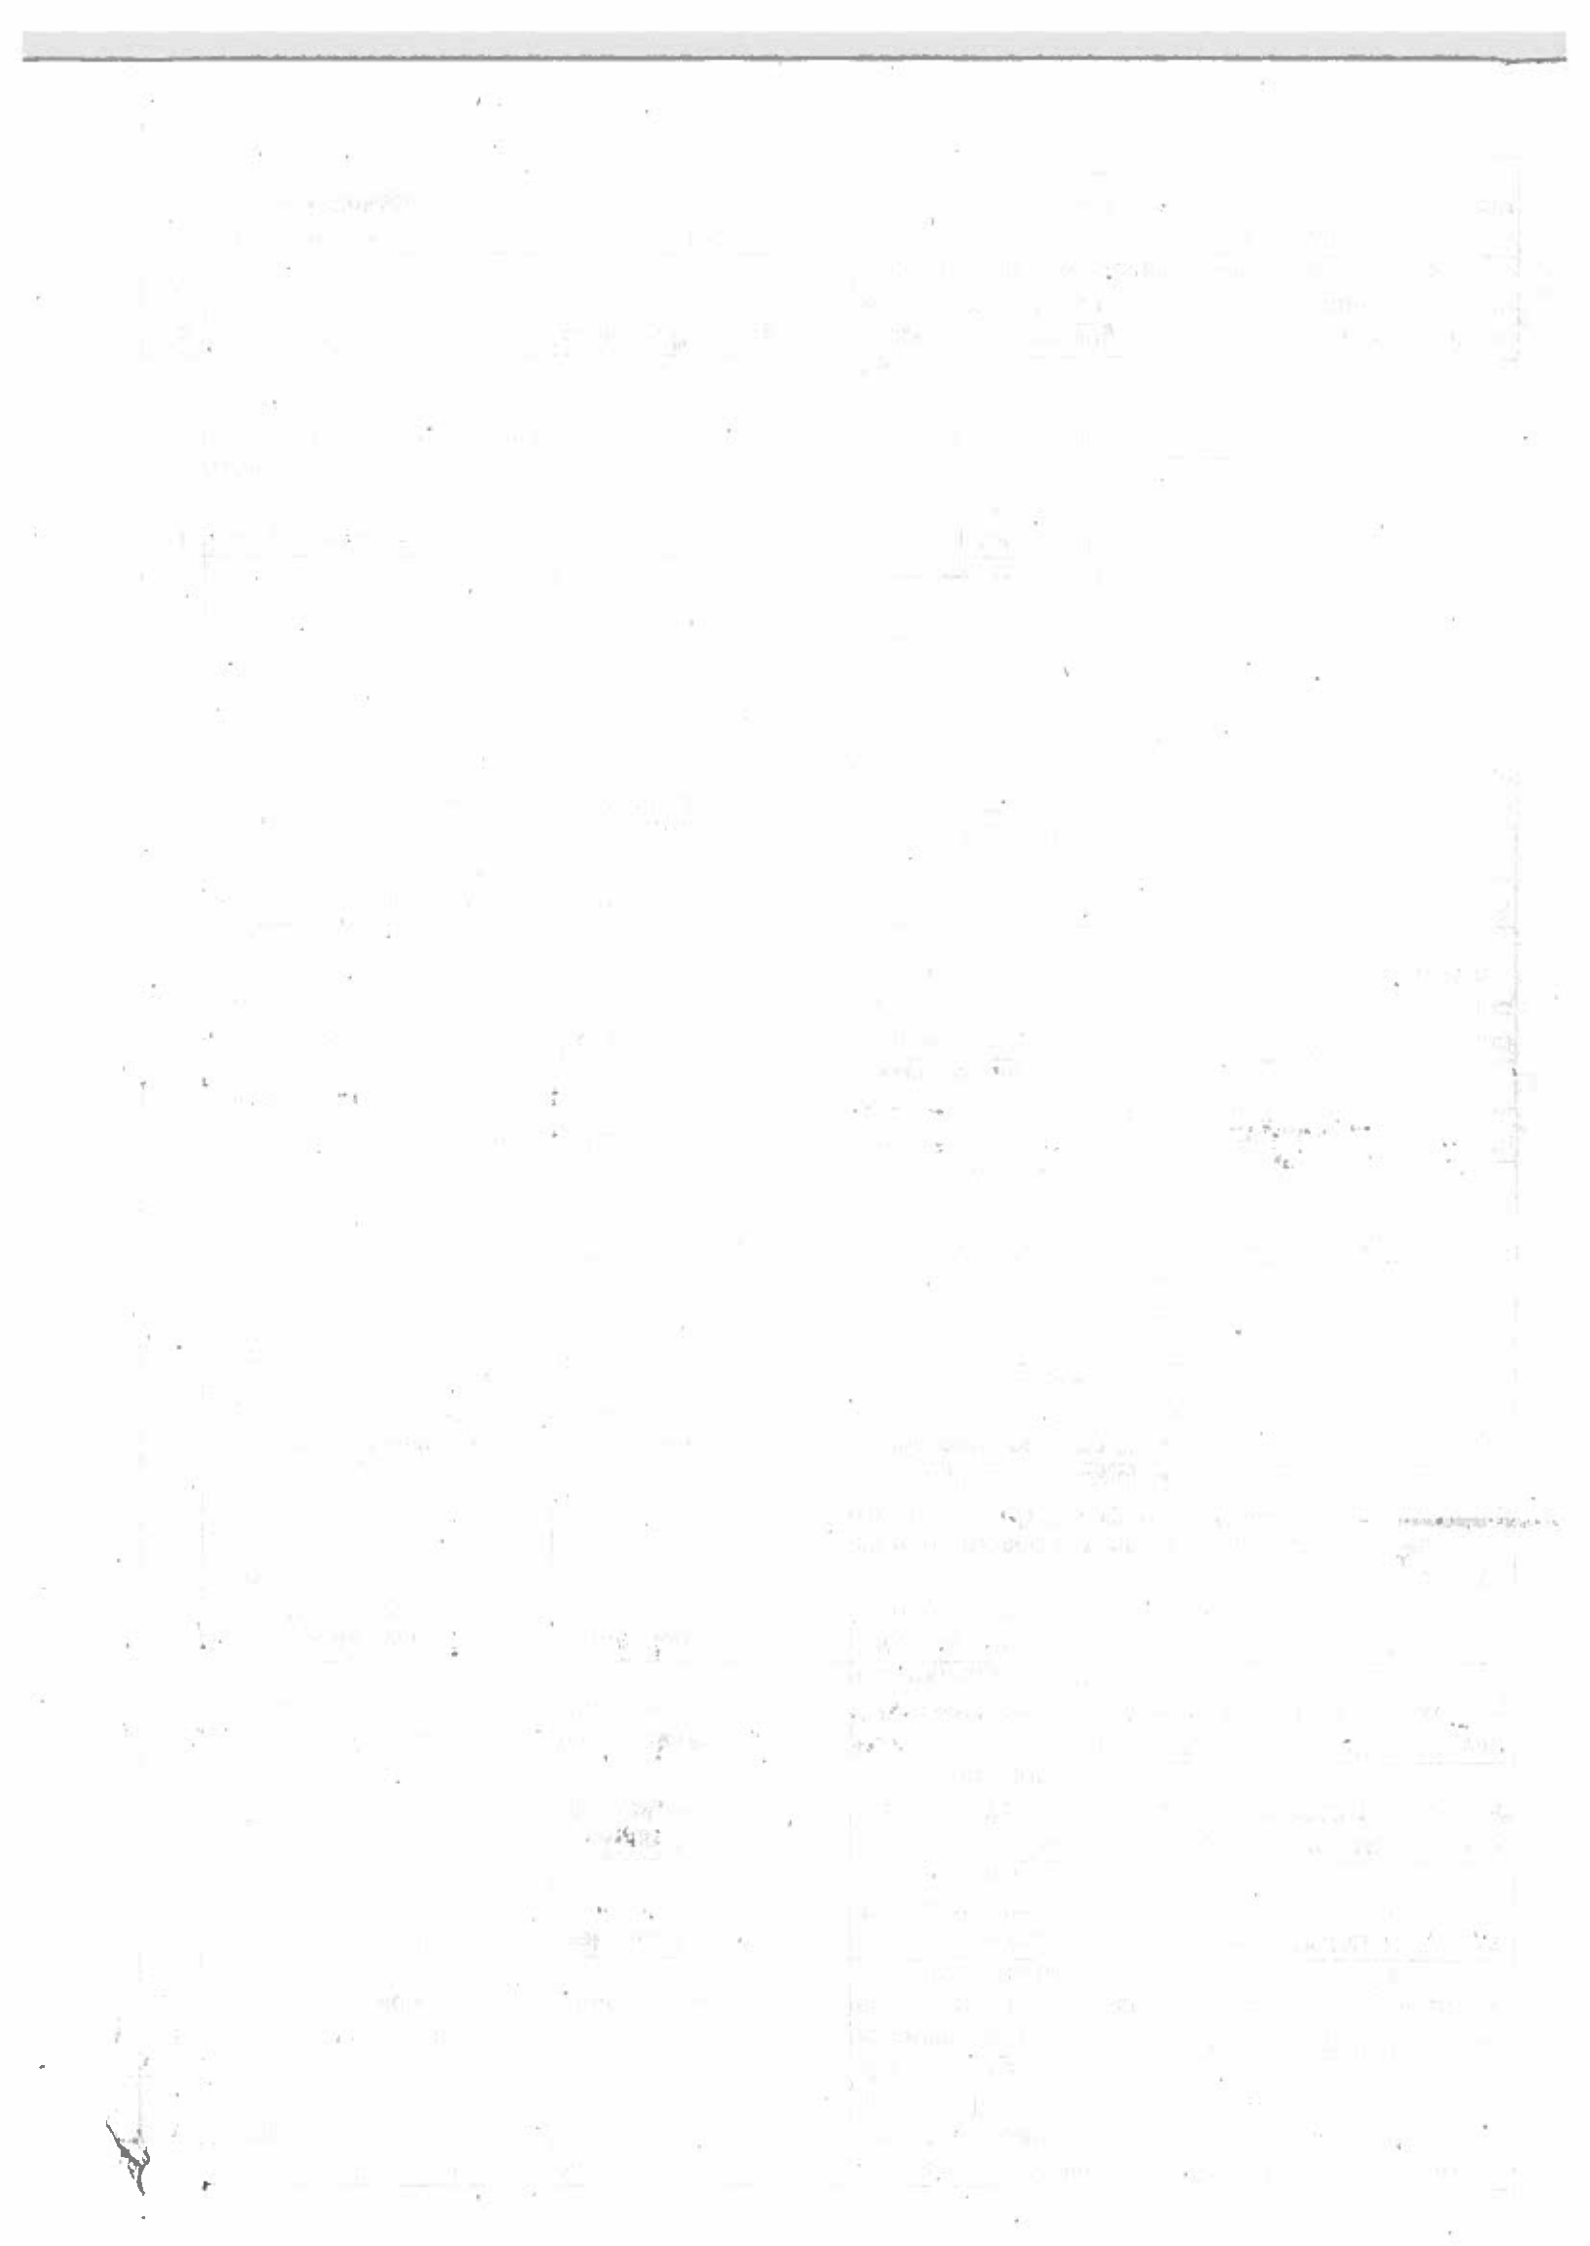

viii) Five subjects are to be allowed for +3 colleges having 64 seats instead of 4 subjects.

ix) For opening of new subjects/new streams due to restriction by Finance Department, no new faculty can be recruited by the management. They can run it under self-financing mode like I.T. or Computer Science only. If any college is willing to abide by this condition, it can open a new subject/new stream.

x) Sanskrit as an 'Elective' subject in +2 Science seems to have been included in 2007 vide notification No. 14019/HE dt. 01.03.2007. As the matter is under reconsideration of Government, all matters relating to any college opting for 'Sanskrit' as an Elective subject under +2 Science stream is to be deferred till a decision in the matter is taken by the Government.
