Initiating the discussion, the Members emphasised that the quality of infrastructure and academics should be the first criteria for granting of permission/recognition to the new colleges. The members raised the issues of non-compliance of norms by certain colleges after they were given permission in the previous years. Problems like low enrolment of students in new colleges, harassment of students in some self-financing colleges, charging of higher rate of fees by the residential colleges etc. were also raised by members and discussed in the meeting. After detailed discussion on the issues, the following decisions were taken.

1. The committee observed that many of the self-financing colleges have not built adequate infrastructure, laboratories, libraries and do not have properly qualified faculties to impart the courses for which they are given permission. It was observed that, many of the new applicants also do not have required infrastructure and faculty to run the courses applied for. Hence, the HPC unanimously decided to defer granting of permission to such institutions till a detailed verification of their infrastructure, including classroom, laboratory, library, lavatory, parking place, independent entrance, proper hostel facilities with proper sanitation (especially for residential colleges) are made. Each institution is required to submit the specific details of such facilities available in their premises along with a video CD containing the detailed photograph of all facilities and the live videography of the faculty engaging classes / administrative staff actually working in their institution. A sub-committee comprising of the following officers was constituted to give a report on the criteria to be followed for the opening of private self-financing residential colleges. The Committee to give its report within 07 days and the same would be placed in the HPC for approval.
 - i) Joint Secretary to Government, H.E. Department – Chairman
 - ii) Additional Director, Higher Education – Member
 - iii) Regional Director of Education, Bhubaneswar – Member
 - iv) Regional Director of Education, Berhampur – Member
 - v) Regional Director of Education, Sambalpur – Member

2. The committee decided to endorse the proposals of opening of new streams in the established colleges as per Annexure-A, subject to concurrence of the Finance Department and the existing rules.
3. While recommending any proposal for increase of seats the respective RDE should examine the no. of applications received for admission by the concerned college during last three years. Similarly, for any new stream / subject, the existing facilities available in other colleges within 10 kms. radius of the proposed institution should be examined.
4. The committee felt the necessity of a uniform fee structure for all the self-financing / residential colleges, alike the pattern followed by the Private Engineering and Medical colleges. The Joint Secretary shall prepare a detailed proposal in this regard and submit before the next HPC. It is recommended that a regulatory body of Fee Fixation Committee should be set up to decide the fee structure for the residential colleges with Government approval.
5. The college should show a deposit of 8 lakhs in the current account (opened in the name of the college / trust) at the time of issue of permission order in favour of the college. Besides this, the college should pledge Rs.20 lakhs deposit in form of FDR to the Prescribed Authority for a period of ten years before the issue of permission order. It is decided the pledged money will be confiscated in case, the college fails to fulfil the conditions laid down in Para-4. This is applicable to all General & Professional colleges.
6. The college should ensure appointment of Permanent Qualified Staff. For Degree colleges the teaching staff should be appointed as per the UGC guidelines. The colleges shall remit their salary every month to the Bank Account of all employees and send the report of such remittance to the respective RDE every month.
7. The college should submit an affidavit with a swearing that the institution shall never claim any financial assistance / aid from the Government in future.
8. Previously, Rs. 1 lakh was deposited towards Loan Stipend Fund at the time of recognition. Henceforth, it should be deposited at the time of granting of opening permission to a college.
