Sub: Formation of District College Development Facilitation Committee (DCDFC) - Regarding

(1) Many Government as well as Government Aided Non-Government Degree Colleges (offering education after Class 12) of Odisha face various types of obstacles in college development matters which can be and should be sorted out at the local level by intervention of appropriate Government functionary of the District administration concerned. In order to achieve this objective, the State Government has now been pleased to constitute District College Development Facilitation Committee (DCDFC) in every District as given below.

1.	District Collector	Chairperson
2.	Superintendent of Police	Member
3.	ADM (In case of more than one ADMs, Collector has to nominate one ADM)	Member Coordinator
4.	Sub-Collectors of the District	Members
5.	Principals of all Government and Aided Non-Government Degree Colleges of the District (coming under HE Department)	Members
6.	District/Division Head of the R&B/RD/PHD/GED, etc. (To be decided by Collector)	Members

- NB: (i) Other Government functionaries such as Commissioner of Municipal Corporation, CDMO, etc. may be invited to the Committee meetings as special invitees if the Chairperson so desires.
- (ii) The district-wise list of Member-Convenors is enclosed at Annexure 'A'.

- (2) This Committee should meet as frequently as required, but at least once in a quarter to discuss and decide on the following issues of Government and Aided Degree Colleges coming under Higher Education Department.
- (a) Land matters (Many colleges do not have RoR in their name)
 - (b) Infrastructure Development matters (repair, renovation, new construction, etc. by various Executing Agencies)
 - (c) Separation of Class – 11 & 12 (earlier known as +2 College or Junior College) from Degree College.
 - (d) Mo College matters (i.e. Alumni involvement for college development)
 - (e) Resource mobilisation at the district level (from funds such as from MPLAD, MLALAD, WODC, KBK, DMF, OMBADC, etc.) for College development.
 - (f) Prevention of alcoholism, tobacco and drug abuse and anti-social activities in college campuses, if any.
 - (g) Miscellaneous matters (Plantation inside College Campus, Students' Health Check-up, Voluntary work through NCC/NSS/Scouts and Guides/Youth Red-Cross Volunteers, etc.)
- (3) Member-Convenor of the Committee shall provide all secretarial assistance for proper functioning of the Committee; such as fixing the date/venue/time of the Committee meeting in consultation with the Chairperson, intimating all members of the Committee about the meeting, conduct of the meeting, recording of the minutes of the meeting, follow-up action, etc.
- (4) The ADM, as Member Co-ordinator, shall co-ordinate between the Chairperson and the Member-Convenor for smooth functioning of the Committee. He should also extend necessary help and co-operation to the Member-Convenor in this matter.
- (5) The DCDFCs are required to have their 1st meeting in the 2nd fortnight of December'2021. In districts having large number of Colleges, to make the DCDFC meetings effective issue-based meetings can be held with only those colleges facing the identified issue; instead of holding the meeting with all colleges and discussing all issues. For example, if land matter is the issue identified for discussion, then only the colleges having land issues should be called to the meeting. In another meeting, some other issue can be discussed with a different set of colleges.

(6) The Government expects that with active involvement of district Collectors and other senior district-level functionaries, hindrances and obstacles faced by colleges will be removed to a large extent, setting them in a path of growth and development.
