Sub: Clarification regarding receipt of additional financial benefit by teaching and non-teaching staff with respect to Self-Financing Courses (SFCs) - regarding

Madam/Sir,

It has come to the notice of this Department that some regular teaching and non-teaching staff associated with running of SFCs (Direct mode/ PPP mode) of their respective college are receiving additional financial benefit in form of honorarium, remuneration, etc. for the same which is over and above their regular salary. This is not a good practice as all activities associated with running of SFCs should be part of their normal duty and they should not be given additional financial benefit for the same.

Therefore, it is hereby directed that regular teaching and non-teaching staff of colleges can perform duty pertaining to Self-Financing Courses (Direct mode/ PPP mode) of their college; but they will not be entitled to receive any additional financial benefit for the same over and above their regular salary.

This is for your information and strict necessary action.

Yours faithfully,

Principal Secretary to Government 24.06.2022
