Year 2019	(i) To ensure equal representation of students from all districts in the list of beneficiary of the scheme, <b>District instead of the whole State, was taken as a unit</b> for preparing list of meritorious students.  (ii) The allocation for SC and ST students were made according to the 16.25% and 22.50% respectively of total district quota while preparing the district wise list.
Year 2020	The Scheme was <b>converted to Direct Benefit Transfer (DBT)</b> scheme, whereby Rs 30,000/- are being transferred directly to the bank account of beneficiary student instead of providing Laptop.

- **Method of selection of beneficiary for the year 2022:**

To make the stream wise, category wise and district wise allotment more accurate, the allotment approved by the EFC (Expenditure Finance Committee) in its meeting held on

28.05.2013 and earlier decisions taken by Government from time to time have been taken into consideration and the allotments have been made as mentioned below.

The allocation approved by the EFC (Expenditure Finance Committee) in its meeting held on 28.05.2013 was as follows:

	General Students	SC/ST Students	Base Number
Arts	3100	2300	5400
Science	5000	2000	7000
Commerce	1500	500	2000
Vocational	100	100	200
Sanskrit	300	100	400
Total	10000	5000	15000

The allocation earmarked to SC & ST students in a particular stream is bifurcated between SC and ST as per the ratio 16.25:22.5, which is also the reservation ratio in employment in the State.

For e.g.: The allocation earmarked to SC & ST in Arts stream is 2300. The allocation for SC will be  $\{16.25/(16.25+22.5)\} * 2300 = 965$  and that ST will be  $2300 * 22.5 / 38.75 = 1335$ .

Accordingly, the final Stream wise and Category wise allocation has been prepared as per the table below:-

**Stream and category wise allocation of number**

	General Students	SC Students	ST Students	Base Number
ARTS	3100	$2300 * 16.25 / 38.75 = 965$	$2300 * 22.5 / 38.75 = 1335$	5400
SCIENCE	5000	$2000 * 16.25 / 38.75 = 839$	$2000 * 22.5 / 38.75 = 1161$	7000
COMMERCE	1500	$500 * 16.25 / 38.75 = 210$	$500 * 22.5 / 38.75 = 290$	2000
VOCATIONAL	100	$100 * 16.25 / 38.75 = 42$	$100 * 22.5 / 38.75 = 58$	200
SANSKRIT	300	$100 * 16.25 / 38.75 = 42$	$100 * 22.5 / 38.75 = 58$	400
TOTAL	10000	2098	2902	15000

Further, the stream wise and category wise pass out number of students have been collected from CHSE and SJSU. For equal representation of students of all districts in the merit list of beneficiary of the scheme, the beneficiaries have been selected basing on the respective district's pass proportion compared to the whole state, which is determined by dividing the Numbers of pass students of the particular stream and category of that district with the total numbers of students passed in the that particular stream and category in the whole state.

The formula for district wise allocation is:

***District wise allocation for a particular stream = {Total pass of the district (category/Stream)/ Total pass of state (category/ stream)} \* No of laptops/beneficiaries allocated for that (stream/ category)***

For example:

CALCULATION FOR SCIENCE STREAM							
SL#	DISTRICT	SC PASS	ST PASS	GEN PASS	SC (839)	ST (1161)	GEN (5000)
A	B	C	D	E	F=(C/6726*839)	G=(D/6562*1161)	H=(E/50395*5000)
1	Angul	170	89	1597	21	16	158
2	Balasore	632	234	4545	79	41	451

While allotting nos. of beneficiaries to a particular stream/category of a particular district, it has been observed that same mark has been scored by more than one student at the end. In such cases, the decision of the Department regarding the cut off mark will be final.
