Important notice for the applicants seeking admission into P.G. Courses at State Public Universities and Colleges participating under SAMS for the Academic Session 2024-25

It is for information of all concerned that admission into P.G. Courses for the HEIs participating under SAMS shall be done through a **Common PG Entrance Test (CPET-2024)**. Accordingly, the candidates are hereby instructed to fill-up the Common Application Form by visiting the SAMS P.G. portal as per the timeline mentioned below. Common Prospectus (CP) for CPET-2024 is available on the SAMS portal. Please refer to the CP before filling up the CAF. The key points of P.G. e-Admission for the Academic Year 2024-25 are as follows.

1. The **M.A. program at Odia University, Puri** and the **Acharya(P.G) courses of Shree Jagannath Sanskrit University** have been included under SAMS for P.G. admission from the current Academic Session 2024-25. No separate examination and admission will be done for Odia University, Puri from the current Academic Session.
2. In the current Academic Session, there will be **3 nos. of Phases** for admission into P.G. Courses. That will be Phase-I, Phase-II & Phase-III.
3. The **Phase-I will consists of 4 rounds of selection**. The reservation and weightage will be continued for 1st and 2nd rounds of selection. In the 3rd round, the de-reservation of seats will be carried out in case of absence of the eligible applicants of a specific category. The 4th round will be the last round for Phase-I, which will be a SPOT admission.
4. Applicants who got selected and taken admission during the Phase-I admission process (for any of the rounds) in any subject at any Higher Education Institutions (HEIs) will not be eligible to participate in Phase-II and Phase-III admission processes, which will be available exclusively for left out students.
5. This implies, only the left out applicants who have not been admitted to any of the HEIs in Phase-I admission process will be allowed to participate in the Phase-II and Phase-III admission processes.
6. An applicant with **Elective Papers** which carries at least **24 credits at U.G. Level** are eligible to apply for that subject to get admission into PG Courses. If an applicant enters incorrect details (not having at least 24 credits but mentioned the same), his/her candidature will be canceled during the admission and document verification process or even after the admission is completed.
7. This Academic Year, the applicants are required to upload the **Residence, Income & Caste Certificates** while filling up the CAF. Hence, applicants are advised to keep ready the required certificates in well advance before filling the CAF. If the applicants fail to upload the certificates during filling up the CAF, another chance will be given to upload the certificates during updation of graduation/ equivalent marks, which will be mandatory. Without uploading the required certificates, they will be not able to submit the application.

8. Applicants who got a seat in a round are advised to do following options after publication round-wise selection:

Freeze: - If an applicant is satisfied with the allotted seat i.e. both the HEI and Subject, S/he can choose this option. After selecting the "Freeze" option, applicants have to pay the admission fees for that seat allocated. The required fees will be shown in the screen and s/he has to pay the fees in online mode only and The applicants who will choose the "Freeze" option can download the Intimation Letter and have to visit the selected HEIs to complete the admission formalities.

Slide: - If an applicant has accepted the allotted seat but also wants for a better Subject as well as HEI in his/her higher preferences, S/he can choose this option. After selecting the "Slide" option, applicants have to pay the admission fees for that seat allocated. The required fees will be shown in the screen and s/he has to pay the fees in online mode only. However, such applicants need not have to visit the allocated HEIs, as they will not get the Intimation Letter and they will wait for the subsequent round of selection.

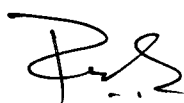

Float: - If an applicant has accepted the allotted seat and also wishes a better Subject in their higher choice of subjects in the same HEI, s/he can choose this option. After selecting the "Float" option, applicants have to pay the admission fees for that seat allocated. The required fees will be shown in the screen and s/he has to pay the fees in online mode only. However, such applicants need not have to visit the allocated HEIs, as they will not get the Intimation Letter and they will wait for the subsequent round of selection

9. Whenever a seat is allocated, applicants are compulsorily required to choose one of the option - Freeze, Float or Slide - carefully. If the applicant will not choose any of the options that implies the applicant is rejecting the offered/allocated seat and s/he will be out of the counselling process for the subsequent rounds of that Phase.
